To the Shareholders

Dear Sir or Madam,

**NOTICE OF ANNUAL GENERAL MEETING
GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES
PROPOSED REFRESHMENT OF SCHEME MANDATE LIMIT
AND
RE-ELECTION OF DIRECTORS**

1. INTRODUCTION

At the AGM to be held on Thursday, 18 June 2009, the Ordinary Resolutions will be proposed, among other things, to grant to the Directors general mandates to allot, issue and deal with new Shares and to repurchase the Shares, to approve the Re-election of Directors and to refresh the Scheme Mandate Limit.

* For identification purpose only

LETTER FROM THE BOARD

The purpose of this circular is to give you the AGM Notice, to provide you with information regarding the Share Issue Mandate, the Repurchase Mandate, the refreshment of the Scheme Mandate Limit and information on the Directors to be re-elected, as well as to seek your approval of the Ordinary Resolutions relating to these matters at the AGM.

2. GENERAL MANDATES

At the AGM, separate ordinary resolutions will be proposed to refresh the general mandates given to the Directors (i) to allot, issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of the issued Shares as at the date of passing of the resolution; (ii) to exercise all powers of the Company to repurchase issued and fully paid Shares up to a maximum of 10% of the aggregate nominal amount of the issued Shares at the date of passing of the resolution; (iii) to extend the general mandate granted to the Directors to allot, issue and deal with additional Shares as mentioned in paragraph (i) above by the amount representing the aggregate nominal amount of the share capital of the Company repurchased by the Company under the general mandate granted to the Directors as mentioned in paragraph (ii) above. The Share Issue Mandate and the Repurchase Mandate will be valid from the date of passing of the relevant resolution approving the same up to the earliest of (a) the date of the next annual general meeting of the Company; (b) the date by which the next annual general meeting of the Company is required to be held by law or by its articles of association; or (c) the date upon which such authority is revoked or varied by an ordinary resolution of the shareholders in a general meeting of the Company. The existing general mandates to issue and repurchase Shares granted to the Directors pursuant to the ordinary resolutions passed by the Shareholders at the annual general meeting held on 8 May 2008 will expire at the AGM.

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,007,278,688 Shares and 194,500,000 Series A Preferred Shares. Assuming no issue of new Shares or repurchase of Shares by the Company from the Latest Practicable Date up to and including the date of the AGM, the Share Issue Mandate will authorize the Directors to issue and allot up to 201,455,737 new Shares.

An explanatory statement containing all relevant information relating to the proposed Repurchase Mandate is set out in Appendix I to this circular. The information in the explanatory statement provides you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate.

3. REFRESHMENT OF THE EXISTING SCHEME MANDATE LIMIT

The Company adopted the Share Option Scheme approved by way of written resolution of the Company on 2 June, 2003. Under the rules of the Share Option Scheme:

- (i) the number of Shares subject to Options that may be granted shall not exceed 10% of the Shares in issue at the date of approval of the Share Option Scheme or of the refreshment of the Scheme Mandate Limit;

LETTER FROM THE BOARD

- (ii) the Company may seek Shareholders' approval to refresh the Scheme Mandate Limit. However, the Scheme Mandate Limit as refreshed shall not exceed 10% of the Shares in issue as at the date of the aforesaid Shareholders' approval. Options previously granted under the Share Option Scheme and other share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with the schemes or exercised options) will not be counted for the purpose of calculating the Scheme Mandate Limit as refreshed. A circular must be sent to Shareholders in connection with the meeting at which their approval will be sought;
- (iii) the Company may seek separate approval of the Shareholders in general meeting to grant Options beyond the Scheme Mandate Limit to participants specifically identified by the Company before the aforesaid Shareholders' meeting where such approval is sought; and
- (iv) the overall limit on the number of Shares which may be issued upon the exercise of all outstanding Options granted and yet to be exercised under the Share Option Scheme and any other share option schemes of the Company must not in aggregate exceed 30% of the total number of Shares in issue from time to time.

After refreshment of the Scheme Mandate Limit as approved by the Shareholders at last year's annual general meeting of the Company held on 8 May, 2008, the Company had not granted any Options under the Share Option Scheme under the refreshed Scheme Mandate Limit of granting options to subscribe for up to 100,227,868 Shares.

As at the Latest Practicable Date, a total of 161,766,500 Options had been granted to participants which are outstanding. Of these outstanding Options, 10,000,000 Options were granted to Dr. Chen Yuhong, 500,000 Options were granted to Dr. Cui Hui, 11,000,000 Options were granted to Mr. Duncan Chiu, 7,600,000 Options were granted to Mr. Wang Hui, 6,180,000 Options were granted to Dr. Tang Zhenming and 750,000 Options were granted to Mr. Zeng Zhijie (all being Directors). The remaining 125,736,500 Options were granted to other participants of the Share Option Scheme.

As the Company had increased its total number of issued Shares since the date of approval by the Shareholders of the Scheme Mandate Limit, a refreshment of the Scheme Mandate Limit would increase the total number of options that the Directors may grant under the Share Option Scheme. The Directors consider that the Company should refresh the Scheme Mandate Limit so that the Company can have more flexibility to provide incentive to participants of the Share Option Scheme by way of granting Options to them. If the refreshment of the existing Scheme Mandate Limit is approved at the AGM, based on the 1,007,278,688 Shares in issue as at the Latest Practicable Date and assuming no new Shares are issued and no Shares are repurchased after the Latest Practicable Date and up to the date of the AGM, the Directors will be able to grant Options to subscribe for up to a total of 100,727,868 Shares, representing approximately 10% of the issued ordinary share capital of the Company as at the date of the AGM. The number of Shares which may be issued upon exercise of such maximum amount of Options which may be granted after approval of the refreshment of the Scheme Mandate Limit plus the 161,766,500 Options outstanding as at the Latest Practicable Date will not exceed 30% of the total number of Shares in issue.

LETTER FROM THE BOARD

The proposed refreshment of the Scheme Mandate Limit will be conditional upon the Listing Committee of the Stock Exchange granting the listing of, and the permission to deal in, such number of Shares, representing 10% of the Shares in issue as at the date of AGM, which may fall to be allotted and issued pursuant to the exercise of Options which may be granted under the Share Option Scheme up to the refreshed Scheme Mandate Limit.

Application will be made to the Stock Exchange for granting the listing of, and the permission to deal in, the Shares to be issued pursuant to the exercise of the Options granted under the Share Option Scheme up to the refreshed Scheme Mandate Limit.

The Directors consider that the refreshment of the Scheme Mandate Limit is in the interest of the Group and the Shareholders as a whole because it enables the Company to reward and motivate its employees and other selected participants under the Share Option Scheme. The refreshment of the Scheme Mandate Limit is in line with purpose of the Share Option Scheme.

An ordinary resolution, as special business, will be proposed at the forthcoming AGM to approve the refreshment of the existing Scheme Mandate Limit in the terms as set out in Resolution no.8 of the AGM Notice. In order that the Company can continue to grant Options to selected participants as incentives or rewards for their contribution to the Company, the Directors recommend that Shareholders to vote in favour of this resolution.

4. RE-ELECTION OF DIRECTORS

The Board currently consists of eleven Directors including three executive Directors, five non-executive Directors and three independent non-executive Directors.

Mr. Fang Jun and Dr. Zhang Yaqin were appointed as non-executive Directors on 20 April 2009 and 31 December 2008 respectively. According to the Articles of Association, Mr. Fang Jun and Dr. Zhang Yaqin shall hold office until the AGM and shall then be eligible for re-election.

Pursuant to the Articles of Association, at each annual general meeting one-third of the Directors for the time being (not including those Directors who shall hold office only until the next following annual general meeting as referred to above), or the number nearest to but not less than one-third shall retire from office by rotation and shall be eligible for re-election. As such, Dr. Chen Yuhong, Dr. Tang Zhenming and Dr. Leung Wing Yin Patrick being the Directors who have been longest in office since their last re-election or appointment, shall retire at the AGM and are eligible for re-election.

Brief biographical details of the said retiring Directors proposed to be re-elected at the AGM are set out in Appendix II of this circular.

LETTER FROM THE BOARD

5. ANNUAL GENERAL MEETING

Set out on pages 16 to 20 in this circular is the AGM Notice containing the Ordinary Resolutions to be proposed at the AGM to, among other things, grant to the Directors the Repurchase Mandate, the Share Issue Mandate, the extension of the Share Issue Mandate, to approve the refreshment of the Scheme Mandate Limit and the Re-election of Directors with effect from the conclusion of the AGM.

6. ACTION TO BE TAKEN

A proxy form for use at the AGM is dispatched to you with this circular. Whether or not you intend to attend the AGM, you are requested to complete the proxy form and return it to the Company's branch share registrar in Hong Kong, Computershare Hong Kong Investor Services Limited at Room 46th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong or the principal place of business of the Company at Units 4607-8, 46th Floor, COSCO Tower, No. 183 Queen's Road Central, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for the holding of the AGM. Completion and return of the form of proxy will not preclude you from attending and voting in person at the AGM.

7. PROCEDURES FOR DEMANDING A POLL BY SHAREHOLDERS

Pursuant to the Article 66 of the Articles of Association, at any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) demanded:

- (a) by the chairman of such meeting; or
- (b) by at least three Shareholders present in person or in the case of a member of the Company being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or
- (c) by any Shareholder or Shareholders present in person or in the case of a Shareholder being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all the Shareholders having the right to vote at the meeting; or
- (d) by any Shareholder or Shareholders present in person or in the case of a Shareholder being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

In accordance with the requirements of the Listing Rules, the chairman of the AGM will demand that voting on the Ordinary Resolutions be decided by poll.

LETTER FROM THE BOARD

8. RECOMMENDATION

The Directors believe that the Share Issue Mandate, the Repurchase Mandate, the extension of the Share Issue Mandate, the refreshment of the Scheme Mandate Limit and all other resolutions set out in the AGM Notice are all in the best interest of the Company and its Shareholders as a whole. Accordingly, the Directors recommend that you vote in favour of each of the Ordinary Resolutions set out in the AGM Notice.

Yours faithfully,
By Order of the Board
Dr. Chen Yuhong
Managing Director

This appendix serves as an explanatory statement, as required under the Share Buyback Rules, to provide information to the Shareholders with regard to the Repurchase Mandate to enable them to make an informed decision as to whether to vote in favour of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, there were in total an aggregate number of 1,007,278,688 Shares and 194,500,000 Series A Preferred Shares in issue. As at the same date, Options to subscribe for 161,766,500 Shares had been granted and were outstanding under the Share Option Scheme.

Subject to the passing of the Ordinary Resolution no. 6 and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 100,727,868 Shares representing not more than 10% of the issued share capital of the Company at the Latest Practicable Date.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interest of the Company and its Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such repurchases are beneficial to the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Articles of Association and the applicable laws and regulations of the Cayman Islands. The Companies Law (2004 Revision) of the Cayman Islands provides that Shares may only be purchased out of the profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose or in the manner provided for therein out of capital.

The Directors at present have not decided which proposed source of funding is to be used when the Repurchase Mandate is exercised.

There might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated accounts contained in the annual report for the financial year ended 31 December 2008) in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association and Articles of Association and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), have any present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by Shareholders and exercised by the Board.

No connected person (as defined in the Listing Rules) has notified the Company that he or it has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders and exercised by the Board.

5. TAKEOVERS CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the increase of the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, CS&S(HK) together with parties acting in concert with it held 265,198,363 Shares representing approximately 26.33% of all the issued Shares and approximately 22.07% of the total issued share capital of the Company; Far East International held 138,989,822 Shares, representing approximately 13.80% of all the issued Shares and approximately 11.57% of the total issued share capital of the Company and Greater Pacific Capital Partners, L.P. held 119,268,639 Shares, representing approximately 11.84% of all the issued Shares and approximately 9.92% of the total issued share capital of the Company. To the best of knowledge and belief of the Company, no other person, together with his/her associates, was beneficially interested in Shares representing 10% or more of the issued share capital of the Company.

In the event that the Directors exercise the Repurchase Mandate in full, then (if the present shareholdings otherwise remained the same) the holdings of CS&S(HK) together with parties acting in concert with it, Far East International and Greater Pacific Capital Partners, L.P. in the total issued share capital of Company would be increased from approximately 22.07%, 11.57% and 9.92% to approximately 24.09%, 12.62% and 10.83% respectively of the total issued share capital of the Company. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any purchase made under the Repurchase Mandate. In the event that the Repurchase Mandate is exercised in full, the number of Shares held by the public would fall below 25%, the relevant prescribed minimum percentage of the Shares in issue required by the Stock Exchange to be held by the public. The Directors wish to state that they have no intention to exercise the Repurchase Mandate to such an extent that may give rise to the making of a general offer under the Takeovers Code or that may result in a public shareholding of less than the prescribed minimum percentage.

6. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the GEM and the main board of the Stock Exchange in each of the twelve months prior to the Latest Practicable Date were as follows:

	Month	Highest trade price (HK\$)	Lowest trade price (HK\$)
2008	June	1.40	1.12
	July	1.18	1.03
	August	1.10	0.97
	September	1.00	0.72
	October	0.85	0.39
	November	0.51	0.325
	December	0.69	0.35
2009	January	0.63	0.46
	February	0.59	0.48
	March	0.58	0.46
	April	0.67	0.59
	May (up to the Latest Practicable Date)	0.70	0.62
